

BAMBOO™ Folio

Bamboo Folio turns your ideas into digital, shareable files while you write or sketch them on your favorite notepad.

Just install the Wacom Inkspace app on your device to store and edit your ideas – or to forward them as JPG, PNG, PDF or WILL files. Press the button on the smartpad to transfer your handwritten notes or sketches to the digital world – via Bluetooth – to your smartphone or tablet.

Register for the free Inkspace cloud service* to convert your handwritten notes to text, intuitively tag your ideas on paper, or export them as DOC format. Sync your ideas with the cloud and forward them to services including Dropbox, Evernote and OneNote.

Learn more at www.wacom.com/inkspace

Get more out of your smartpad with the free Inkspace cloud service*:

- Convert your handwritten notes to typed text for easy sharing and editing.
- Export your handwritten notes to .doc format for Microsoft Office and Google Docs.
- Intuitively tag your ideas on paper – your handwritten tags will be applied to your content automatically.
- Export your drawings and notes to scalable SVG format – ready for your favorite software.
- Save your sketches as .PSD format for further editing in Adobe Photoshop.
- 50 GB storage (thousands of pages of notes)

* Access to Inkspace cloud service requires creation of a Wacom ID and internet access.
