

ASUS Chromebook C403

Larger 14" Screen, Ultra Tough Design

14" For Education | Family

A ruggedized Chrome OS-based laptop designed for education

ASUS Chromebook C403 combines big-screen productivity with classroom-ready toughness. Its large 14-inch display and ergonomic keyboard let you get things done in total comfort, and its rugged construction makes it a laptop you can rely on, whether you're using it for school, or sharing screens with teachers or family. It's packed with ruggedized features such as the all-round rubber bumper, spill-resistant keyboard and ultratough hinge. With its easy-to-service modular design and long-lasting battery, ASUS Chromebook C403 is the smartest choice for learning!

Ready for action

Classrooms can be tough, but ASUS Chromebook C403 is tougher! Built to surpass demanding military-grade MIL-STD-810G durability standards, it's also torture-tested to pass stringent ASUS quality tests. It can withstand occasional drops of up to 120cm — more than standard desk height — and the hinge and I/O ports are fully tested to endure the stresses and strains of everyday use.

120cm drop-resistant to mimics desk accident

50,000 open-and-closed cycles hinge tests

30kg force on lid and bottom without display damage

5,000 times I/O port tests to ensure the durability

Ultimate rugged design

The rubberized chassis is reinforced with thick bumpers on each corner to reduce the impact of physical shocks. The keyboard is spill-resistant, coping with liquid spills, and tamper-resistant, preventing the keys from being pried out.

All day learning

With up to 12 hours* battery life on a single charge, ASUS Chromebook C403 will last for a full day of classes and more. Students could enjoy continuous and uninterrupted learning without worry of battery life.

* Battery life may vary upon usage and other conditions.

Stress-free sharing

The 180° lay-flat hinge not only enables easier collaboration when you're in a group, but it also reduces stress on the mechanism too.

ASUS Chromebook C403

- Intel® Dual-Core Celeron® N3350 Processor
- Chrome OS
- **14" HD (1366x768), 220 nits, NTSC:45%, Anti-glare, Non-touch**
- 2 x USB 3.1 Gen 1 Type-C™ (up to 5Gbps, power delivery and DisplayPort support), 2 x USB 3.1 Gen 1 Type-A, 1 x microSD card reader
- **Responsive typing experience with 2.0mm key travel distance**
- **Fast and stable Wi-Fi : Integrated 802.11a/b/g/n/ac (2x2)**
- **46WHrs battery with up to 12 hr battery life**
- **Starting from 3.75 pounds (1.70kg) with battery**
- **3-year limited International hardware warranty**

starting at \$ xxxxxxxx
