

Alcatel-Lucent 4059 Extended Edition Attendant Console

Offer a professional and efficient welcome with a personal touch

In business, a telephone call is often the first point of contact. The Alcatel-Lucent 4059 Extended Edition (EE) Attendant Console allows businesses to provide outstanding, quality customer service while keeping a personal touch. Customer satisfaction increases when they get a fast answer and are directed promptly to the right person.

This application, designed for the Alcatel-Lucent OmniPCX® Enterprise Communication Server (CS) or Alcatel-Lucent OpenTouch® platforms, enables receptionists to quickly dispatch a high volume of calls both from customers and employees.
