

ClickSafe Security Anchor for wedge Lock Slot

The Base for 1-Click Security

K67943WW

Product Description

Allow your employees to use the superior and effortless laptop security of a ClickSafe® Keyed Lock, even if the laptop uses a wedge lock slot. This ClickSafe Security Anchor has been adapted to fit the small number of Dell systems that don't feature the industry-standard Kensington Security Slot. One-click, keyless engagement of a ClickSafe lock increases employee compliance and offers anti-theft technology to keep your assets safer.
