

OP751RK

Interactive flat panel display

- **75" multi-touch interactive flat panel**
- **4K UHD resolution for crisp and vivid visuals**
- **Seamless interactivity - 20-point touch-enabled**
- **Anti-glare glass, blue light filter and wide viewing angle**

Optoma's multi-touch interactive flat panels boast 4K UHD resolution and a 20-point touch-enabled display, bringing lessons and idea sharing to life in education and corporate settings.

Available in 65", 75" and 86" sizes and featuring anti-glare glass, a blue light filter and a wide viewing angle, they reduce eye strain while providing crisp and vivid visuals to every seat in the room.

A built-in cloud drive provides easy access to Google Drive and Microsoft OneDrive, while the unique AirShare feature brings audiences together showcasing instantaneous results from quizzes, polls and surveys.

Features include extensive connectivity, wireless content sharing and a ready-to-use whiteboard pack with pre-installed annotation tools.
