HP x4000 Wireless Mouse with Laser Sensor (A0X35AA)

The high-end design of the HP Wireless Mouse X4000 mimics the motion of a fast sports car. But the fun doesn't stop there. This comfortable mouse also features wireless connectivity, 30-month battery life and a highly-precise laser sensor.

Masterful, modern design: Sculpted shape. Striking lines. Smooth edges. Sweeping contours. Exquisite comfort.

Blissful liberation from wires: 2.4 GHz connectivity gives you a 30ft (10m) roaming range with highly accurate laser sensor. (Compatible with HP-equipped accessories displaying Link-5 mark on micro receiver.)

Best-in-class 30 month battery life. Competitive models at the same price only last 15, 12 & 8 months. (Battery life depends on usage.)
