

# TSP650II BTi

## iOS Compatible Bluetooth Desktop Printer

Star Micronics completes its “i” Series of printers with the launch of its first desktop Bluetooth printer. Apple MFi certified, the TSP650II BTi receipt printer is approved for use with the iPod Touch®, iPhone® and iPad®. With operating system support for iOS, Android and Windows, the TSP650II BTi features the best of both worlds by coupling the comfort of legacy products with the speed and connection options demanded today in fast-paced point of sales environments.

The TSP650II BTi’s “JustWorks” SSP profile makes the pairing process very simple to use. It allows for a quick

connection without the hassle of a passkey or having to choose between iOS and Android modes. Quick and ready to use, no user interaction is needed to pair the TSP650II BTi.

One attribute that grabs the user’s attention is the TSP650II BTi’s lightning fast print speed. Capable of printing 60 receipts per minute (300 mm/sec), the TSP650II BTi offers unrivalled processing power and outstanding data throughput. Equipped with easy “drop in and print” paper loading, small footprint and reliable guillotine cutter, the TSP650II BTi is a welcomed addition to any POS system.

- **First Bluetooth Desktop Printer**
- **Highly Reliable Auto Cutter**
- **High Speed: 300mm / second**
- **Small Footprint**
- **“Drop In & Print” Paper Loading**
