Four times the impact, 24/7

QMF Series UHD commercial LED LCD displays

Deliver incredible, impossible-to-ignore messages around the clock. With 24/7 durability and reliability, Samsung QMF Series commercial-quality UHD displays offer head-turning visual impact, along with fine detail for exceptional legibility. Offering four times the resolution of Full HD and multi-source display capability, premium retailers have the ability to show off their impeccable craftsmanship with extreme detail. Samsung QMF Series displays. They're ideal for situations where it's critical to maximize every impression.

Key features

UHD resolution for four times the detail

3840 x 2160 UHD resolution delivers four times the detail of 1920 x 1080 FHD resolution. That means incredible image detail and text legibility. Four times the resolution also allows businesses to replace existing videowalls with a single large screen, delivering the same level of image clarity with no distracting bezels.

Multi-screen support for messaging flexibility

With the QMF Series, businesses can display up to four different input sources on the same screen, without having to first merge content on a separate PC. PIP and split-screen options allow messaging flexibility beyond four simple rectangles.

24/7 continuous operation

Commercial-level cooling technologies offer dependable reliability. Samsung QMF displays are designed to deliver peace of mind.

Non-glare panel

The non-glare panel minimizes reflection, making messages easier to see. Text is legible, visuals have maximum impact.

500-nit brightness

UHD resolution combines with bright 500-nit screens for messages that demand attention.

Ideal for multiple industries

The resolution and data display options of the Samsung QMF Series is ideal for luxury retailers, conference rooms, security monitoring centers and anywhere exceptional image quality with messaging flexibility is desired.
