

# WorkForce AL-M400DN

## Monochrome laser printer with fast 45ppm print speeds, Gigabit Ethernet and 700-sheet paper capacity - expandable to 2,350 sheets

The WorkForce AL-M400DN is one of Epson's most hardworking and reliable A4 monochrome laser printers, thanks to it having one of the highest duty cycles in its class – up to 200,000 pages. This model has a compact footprint that suits medium-sized workgroups and comes with a 700-sheet paper capacity as standard - expandable up to 2,350-sheets.

Aimed at medium-sized workgroups who are looking for high productivity, this model offers reliable, high-performance printing as well as Gigabit Ethernet and fast, double-sided printing.

The Workforce AL-M400DN also offers consistently fast printing up to 45ppm<sup>1</sup>, with a first-page-out time of 5.5 seconds, as well as high-quality results up to 1,200dpi resolution. Internal memory can also be increased to 1152Mb, to help process all business printing needs.

High-performance is teamed up with reliable printing, thanks to high-yield toners and a heavy-duty output, which provides excellent return on investment. In addition, users can print and share from anywhere in the office thanks to Epson's mobile printing app, Epson iPrint. This user-friendly application enables wireless printing from smartphones and tablet PCs<sup>2</sup>.

The reliability of the WorkForce AL-M400DN allows businesses to concentrate on their work without the inconvenience of downtime, enhancing productivity and providing greater peace of mind.

## DATASHEET / BROCHURE

## KEY FEATURES

### TONER CARTRIDGE COLLECTION PROGRAM

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally-friendly way. There are three easy ways to dispose of your empty cartridges and take an action role in reducing waste:

- Put them in a toner cartridge collection box which will be picked up once full
- Return them free of charge by Post
- Drop them off at an Epson Express Center. Please visit [www.epson.com/recycle](http://www.epson.com/recycle) for more details about the program.

1. - Determined in accordance with ISO/IEC 24734 showing the average of ESAT / FSOT from the Office Category Test for default simplex /duplex. For more information visit [www.epson.eu/testing](http://www.epson.eu/testing)

2. - The smartphone and tablet PC being used must be connected to Wi-Fi network within the same subnet as the Epson iPrint enabled printers. For more information, supported languages and devices, please visit [www.epsonconnect.eu](http://www.epsonconnect.eu)
