Technical Specifications

HP ZBook x2 Pen Bundle

1VY59AA

Features

Precision	The pen has a 1.6mm tip size (0.063inch), ensuring pinpoint accuracy.
Stylus Ergonomic design	Ergonomic stylus design for professional users. Well balanced weight distribution and customized latex-free silicone rubber for comfortable grip.
One Control Button	One customized side button for users to customize desired application specific function.
Battery free	pen leverages battery-less technology
Pressure sensitivity	4096 levels pressure sensitivity to make sure stylus can capture any tiny stroke difference.
Hovering capability	The on-screen pen cursor can be controlled by hovering the pen above the screen's surface – no physical contact is necessary.
Report Rate	200 Hz pen report rate to minimize inking latency or lag.
Tail Eraser	Intuitive tail eraser design for users to eraser items with another option.
Tilt function	Enable tilt stroke support capability for better usability and stylus control.
Palm rejection	Users can rest the underside of their hand on the screen surface without registering any unintended inputs.
Replacement kit	Different writing feel pen tips (POM & Felt pen tips) are offered for users to choose their preferable inking experience.
