## DATASHEET / BROCHURE

## Epson's wireless monochrome LED printer - ideal for both small office workgroups and home office users

The Epson WorkForce AL-M200DW wireless LED printer features double-sided printing, fast print speeds and a large duty cycle for high-performance printing. With one of the best Total Cost of Ownerships (TCOs) in its class, this model offers an affordable solution for small office and home office users.

The WorkForce AL-M200DW is Wi-Fi and network-ready for sharing across small workgroups, but can also be used on individual user desktops thanks to its compact size. It also features a retractable paper tray which, when the printer is not in use, can be folded away.

The Epson WorkForce AL-M200DW's toner cartridge is easy to replace. Users simply insert the cartridge into the toner slot and twist to connect. No mess, no hassle, no problem.

In addition, users can print and share from anywhere in the office, thanks to Epson's mobile printing app, Epson iPrint. This easy-to-use application allows workers to print wirelessly from smartphones and tablet PCs\*1.

With the WorkForce AL-M200DW, businesses can concentrate on their work, without any downtime, as its high-performance, user-friendly features offer great peace of mind and productivity.
