

# RW 420™ Battery Eliminator

## Lowers Cost of Ownership for Fixed-Mounted RW 420 Printers

When you need a dependable on-the-road printer that delivers sharp, clear receipts and other documents; endures extreme heat and cold; and offers a variety of wireless options, Zebra's RW 420 is the popular choice. If you leave and use your printer in the cab—fixed-mounted and powered by your vehicle's power source—Zebra's RW 420 Battery Eliminator reduces the cost of owning the RW 420 printer over the course of its life.

- Save the recurring cost of replacing the battery throughout the printer's life.
- Battery-powered devices (cell phones, handhelds, laptops, printers, etc.) exposed to the possible temperature extremes experienced in vehicles may have limited performance. The Battery Eliminator takes the battery out of the equation, so you can count on your printer to work despite severe heat or cold.
- As reliable and durable as the printer, the RW 420 Battery Eliminator helps ensure dependable, long-life printer performance. The Battery Eliminator meets the stringent SAE J1113-11 International Automotive Standards, thus protecting the printer from power surges and other power conditions typically encountered in a vehicle installation.

### Quick Specs

#### Electrical Information

Power Supply Input: 11VDC to 16VDC

#### Environmental

- Operating Temperature: -4° F/-20° C to 131° F/55° C
- Storage Temperature: -22° F/-30° C to 149° F/65° C
- Operating Humidity: 10% to 90% non-condensing

#### Safety and Compliance Ratings

- NRTL Safety
- UL 2089 Vehicle Battery Adapters

### Part Numbers for Ordering

#### P1003772-003

RW 420 Battery Eliminator—Cigarette Lighter Adapter

#### P1003772-004

RW 420 Battery Eliminator—Open Ended Connectors

#### P1011898

RW 420 Battery Eliminator—Ram Mount Kit
